

# SAGE WALSH SMITH

(360)-999-9358 | [sagewalshsmith@gmail.com](mailto:sagewalshsmith@gmail.com) | [www.linkedin.com/in/sagewalshsmith](https://www.linkedin.com/in/sagewalshsmith) | Olympia, Washington

## SKILLS

---

- Data analytics, Python, SQL, R, Java, C, MATLAB, Racket, Excel, Git, GitHub, HTML
- Detail-oriented, strong communicator, collaborative, problem-solving, time management, quick learner, adaptable

## EDUCATION

---

**Western Washington University** || Bellingham, WA  
*B.S. Applied Mathematics*

September 2019 - December 2024

- **Relevant Coursework:** Data Structures and Algorithms, Probability and Statistics, Linear Algebra, Multivariable Calculus, Mathematical Modeling

## PROJECTS

---

### Age Prediction Using Exercise Data Analysis

- Developed a mathematical model to predict age using linear algebra in R programming language in Rstudio
- Constructed visualizations and provided analysis of real-world data from Kaggle to attempt to demonstrate a correlation of gym members' age based on exercise statistics

### MATLAB Simulation of Surface Temperature Over Time for Convergence Analysis

- Developed and ran an environmental simulation in MATLAB
- Collected and organized data from various sources and provided analysis to identify presence of convergence

## WORK EXPERIENCE

---

### Jimmy John's: *Delivery Driver*

January 2023 - April 2023

- Provided exceptional customer service, ensuring timely delivery and satisfaction
- Demonstrated punctuality and reliability in a fast-paced environment
- Managed transactions, including cash handling and point-of-sale systems
- Developed strong communication and interpersonal skills while interacting with customers

### Lookout Arts Quarry: *Event Traffic and Parking Coordinator*

Summer 2023, 2024

- Applied strong organizational and problem-solving skills to coordinate event traffic and parking
- Maintained excellent communication with various stakeholders, ensuring smooth event operations
- Effectively managed stressful situations and remained calm under pressure
- Handled multiple tasks simultaneously in a dynamic, fast-paced environment

### Lakefair: *Kitchen Staff*

Summer 2016, 2017, 2018

- Utilized strong communication skills to interact effectively with customers and team members
- Maintained a positive attitude and proactively assisted in various tasks
- Ensured cleanliness and organization of the booth area, adhering to health and safety standards
- Took orders and provided detailed information about menu items to customers
